## Section I – Important Notice

- **Throughout this policy, words in italics have a specific meaning and are defined in Section XI - Definitions.**
- Please read this policy carefully before you travel.
- Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances. It is important that you read and understand your policy before you travel, as your coverage may be subject to certain limitations and exclusions.
- Pre-existing medical condition exclusions may apply to medical conditions and/or symptoms that existed prior to your trip. Refer to your policy to determine how these exclusions may affect your coverage and how they relate to your departure date, date of purchase or effective date.

- In the event of a *sickness or injury*, your prior medical history will be reviewed after a claim has been reported.
- You are required to contact *Global Excel* as soon as reasonably possible for approval of treatment. Failure to do so limits benefits (see Section V - Limitations and Restrictions).
- All amounts are in Canadian currency, unless indicated otherwise.
- If, while you are on a covered trip, you return to your province, territory of residence or Canada for any reason prior to your expected return date, you must contact your broker or sales agent to discuss how your coverage may be affected.
- **This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.**

## Section II – Eligibility

1. You must meet the following conditions to be eligible for this insurance:
  - a) You must be a Canadian resident and be covered by the government health insurance plan (GHIP) of your Canadian province or territory of residence for the entire duration of your trip;

If your health changes or does not remain *stable* between the date you apply for insurance and your effective date as shown on your confirmation of insurance, you must review the medical questions on the Application with your broker or sales agent to re-assess your eligibility. **If you are no longer eligible for the insurance plan you purchased and you fail to contact your broker or sales agent, your claim will be denied, the Insurer will void your policy, and the premium paid will be refunded. This means no benefits will be covered and you will be responsible for all expenses relating to your sickness or injury, including repatriation costs.**

**Note:** If you have purchased a Multi-Trip Annual Plan and your health changes or does not remain *stable* between the effective date and expiry date as shown on your confirmation of insurance, your eligibility will not be affected; however coverage for your medical condition may be excluded (see Section VI - Exclusions paragraph A - Pre-Existing Medical Condition Exclusions).

## Section IX – General Provisions

- Subrogation** – If *you* suffer a loss covered under this policy, the Insurer is granted the right from *you* to take action to enforce all *your* rights, powers, privileges and remedies upon making payment or accepting the claim to the extent of the incurred losses, against any person, legal person or entity which caused such loss. Additionally, if No Fault benefits or other collateral sources of payment of expenses are available to *you*, regardless of fault, the Insurer is granted the right to make a demand for, and recover those benefits. If the Insurer institutes an action, the Insurer may do so at its own expense, in *your* name, and *you* will attend at the place of loss to assist in the action. If *you* institute a demand or action for a covered loss *you* shall immediately notify the Insurer so that the Insurer may safeguard its rights. *You* shall take no action after a loss that will impair the rights of the Insurer set forth in this paragraph and shall do such things as are necessary to secure the Insurer's rights.

For any loss or damage insured by, or for any claim payable under any other liability, group or individual basic or extended health insurance plan, or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical, or therapeutic coverage, or any other insurance in force concurrently herewith, amounts payable hereunder are limited to those covered benefits incurred outside *your* Canadian province or territory of residence that are in excess of the amounts for which *you* are insured under such other coverage. - Misrepresentation and Non-disclosure** – The completed and signed Application and Medical Questionnaire is essential to the appraisal of the risk by the Insurer and is the basis of and forms part of *your* contract. Any erroneous responses thereon constitute material misrepresentation or concealment relating to an essential component of the contract, that renders *your* insurance void. Consequently and following a loss, no claim shall be payable by the Insurer and *you* shall be solely responsible for all expenses relating to *your* claim, including repatriation costs. The entire coverage under this policy shall be void if the Insurer determines, whether before or after loss, *you* have concealed, misrepresented or failed to disclose any material fact or circumstance concerning this policy or *your* interest therein, or if *you* refuse to disclose information or permit the use of such information, pertaining to any of the *insured persons* under this contract of insurance.
- Arbitration** – Notwithstanding any clause in the present policy, the parties hereto undertake to submit to an arbitration procedure, to the exclusion of the courts, any present or future dispute relating to a claim.
